# MyAPNIC E-voting

The screenshot shows a web browser window titled "C:\Documents and Settings\anne\Desktop\ voting-by-ballot\_JPG.htm - Microsoft Internet Explorer". The address bar shows the local file path. The page content includes the APNIC logo, a navigation menu with links like Resources, Training/Events, Administration, Security, Preferences, and Signoff, and a "Voting" header. A greeting "Good afternoon Johar." is displayed. A "REMINDER" box on the left states: "[16 January 2004] Voting for APNIC ASO representative 2004-2005 is now available. Please [cast your vote](#) by 31 January 2004." The main content area shows "You're here: [Home](#) > Online voting" and "Online voting" in a large pink font. Below this, it says "Voting is open for the APNIC ICANN ASO representative 2004-2005. Voting will close on 28 February 2004." and lists statistics: Membership size: **very large**, Total votes allowed: **32**, Votes submitted: **20**, and Votes available to use: **12**. A "Vote now" section includes a note: "Note: once a vote has been submitted, it cannot be changed." The voting form has two parts: "Please choose number of votes to use" with an input field, and "Please choose one of the following candidates" with radio buttons for Bharata Singh, Izumi Noritake, K. Seo, and T. Mohammad Azri. A "Submit" button is at the bottom of the form. The Windows taskbar at the bottom shows the Start button, several application icons, and the system clock at 4:56 PM.
